FINANCIAL MATTERS

- **Broke Even in 2020:** Revenues \$360,000 lower than 2019, but **less costs** (pool opening, food, summer staff, improvements). Also **sold some land** to residents who had been leasing.
- But cost of breaking even: **deferred maintenance** and a bit behind on some bills. No noteworthy expenditures made on capital projects.
- **Expect 2021 operating budget around \$150,000 + capital projects.** Hope to accomplish capital projects with larger gifts and gifted servants.
- **All former full-time staff** will continue to live in Greenwood provided housing for 2021. We are thankful for their ongoing interest in Greenwood.

18

FINANCIAL MATTERS

- Have **outstanding line of credit** with a bank (closed and paying off)
Committed to reduce to zero. Funds can be designated towards this goal.
- Anticipate a **full schedule of ministry for 2021** so will have ministry expenses plus significant maintenance costs.
- Anticipate **added costs to reopen pool and unused buildings/rooms.**

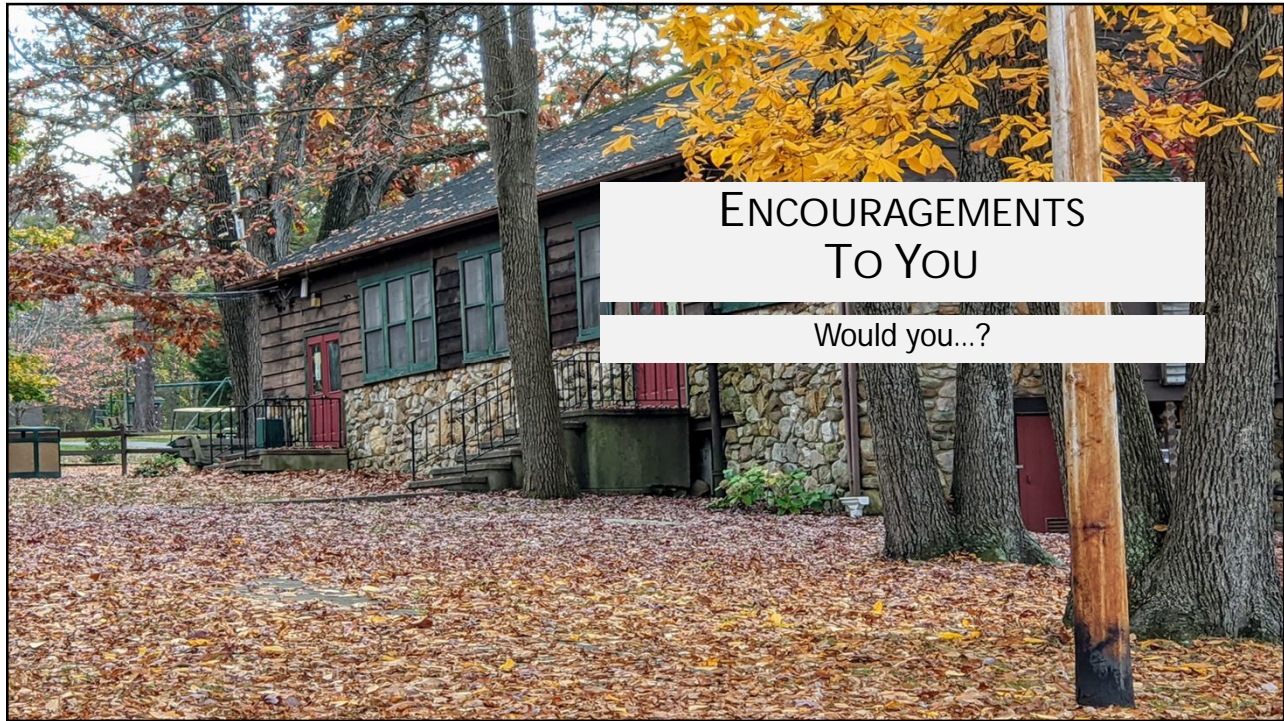

19

FINANCIAL MATTERS

1. Servant volunteers to make 2021 events happen!
2. Donations to cover fixed expenses
3. Pool maintenance and reopening
4. Camp Scholarships
5. Enhance activity and sports facilities (tennis courts, basketball, shuffleboard, etc.)
6. Upgrade rest rooms in the Inn
7. Continued upgrade of Retreat Center Rooms
8. Amazon Wishlist
