No Other Gospel:
A Discussion on the World's
Attempts to Supplement
or Replace the True Gospel

SPEAKER: JOSH KLINE
JANUARY 24, 2022

7:30-9:00 PM EST
(Q&A from 8:30 to 9:00 pm)

Join us for a **FREE** webinar on January 24th as we hear from Josh Kline. The intent of this talk is to analyze examples of modern day "gospels," or man's attempts to try and redeem mankind through their own mind gymnastics and philosophy. We will cover CRT and Socialism, among other thought processes. We must push compassion and patience as we learn to have godly responses in the midst of these pressing worldviews.
