WISDOM AT THE GATE

Speaker: Nate Louro Date: April 22, 2024

In this session, we will discuss how to share Christ in a postmodern society. While many people, both young and old, are captivated by the numerous forms of entertainment, leaving all religious affiliation, and believing there is no truth, it is increasingly forming a greater emptiness in the soul. Let us learn together how to become all things to all men, fill that deep void with the Savior, and be full of grace and truth like our Lord. Come with questions as this will be an interactive study.
